Textile-Tech School

Every seminar is a combination of classroom instruction, followed by extensive hands-on practice, guided by experienced people who know screen printing. Participants learn the latest techniques and processes in a dynamic setting so you leave knowing how to set-up and maximize shop production.

The classes are designed to have you working with a variety of equipment so you gain expertise and familiarity with the entire screen printing process. Each participant is given individualized attention, along with time to experience printing on their own.

YOU WILL GAIN:

- Confidence
- Screen and digital printing skills
- Hands-on printing experience
- Knowledge to operate the latest screen & digital printing equipment
- Personalized attention and instruction
- Trouble-shooting skills

"I found the class very educational. After the class, I am one step closer to being a screen printer."

Jim Price - Cordell, OK

"It was all great! Excellent training and I loved the hands-on experience."

Lynn Walker - Jacksonville, FL

"Trainer spoke from 30 years of proven success in an understandable way."

Michael Selman - Cumming, GA

"Small group, hands on, taught every aspect of screen printing."

Dave Baer - Fort Gratiot, MI

Join the Lawson Family

Since 1949, Lawson has been a family-run company that treats you like family. We know the value of good relationships. That's why live people answer the phone, and we always do what's right.
"We Make It Simple"

THE LAWSON NO-NONSENSE WARRANTY

The Lawson No-Nonsense Warranty is an extension of our confidence in our products, providing protection that ensures dependability and peace of mind. Our warranty programs last from 1 year on our most basic machinery, to our innovative 5-3-1 program on dryers, and we even offer an optional 15 year I.R. element, and a lifetime warranty on select manual equipment.

EASY FINANCING

We provide easy leasing through our nationwide team of financing specialists. Our 24-hour turnaround is both simple and fast.

24 HOUR SERVICE HOTLINE

For equipment tech support, we have a 24-hour owner hotline.

24 HOUR SUPPLY HOTLINE

We also offer a 24/7/365 Supply Hotline for active supply customers.

www.golawson.com

We manufacture a wide variety of manual and automatic screen printing presses, exposure units, textile, UV, graphic, 3-D and industrial dryers, re-claiming sinks, dip tanks, computer-to-screen imaging devices, DTG printers, pre-treat sprayers, plastisol ink and much more. All Lawson equipment is made in the U.S.A.

If you can't find what you need, refer to our website for a comprehensive listing of supplies and equipment, or simply give us a call. We have a friendly staff ready to assist.
